## Fun Customer Sales Pro for Radio Control Models

### *Have fun at your job!*

This is a sales position focused on radio control models in the beginner to intermediate market. Radio Control diagnostics and repair skills are also required.

If you are:

- Excited about operating and selling RC models and helping people have fun
- Skilled at explaining and answering questions about radio control models for kids and adults
- Friendly, energetic, and good with children
- Interested in teaching seminars and hosting RC related activities for kids and adults
- Efficient at diagnosing common radio control problems and making repairs
- Computer savvy to respond to customer email, find products, and research solutions online
- Organized, neat, and professional

We offer:

- A fun and exciting work environment
- Access to the newest radio-control products
- A generous employee discount
- Competitive pay with performance bonuses
- Full or part-time opportunities (some evening, weekend, and holiday hours required.)
- The opportunity to be part of a unique toy, hobby, and game experience
- Potential to advance to management responsibilities

Preferred consideration will be given for the following:

- Previous retail sales experience
- Conversational Spanish speaker
- Demonstrated skill in radio-control operation, set-up, and troubleshooting
